

The Corrosion Free /Maintenance Free Fire Extinguisher

Save up to £300 per extinguisher!!

Yes that's correct - an extinguisher that you can maintain yourself once installed by an engineer. You just need to carry out an in-house compliance inspection annually.

Also, If you sign up to a 5 or 10 year contract for your Fire Alarms and Emergency Lights servicing (we guarantee to match your current prices) we will carry out the compliance check on your extinguishers for you **free of charge!!**

Approved by The County of Durham and Darlington Fire & Rescue, Nottingham Fire & Rescue Service and University of Brighton saving **£210,000** over 10 years – a product you can trust.

Key Benefits:-

- Huge savings
- Up to 50% reduction in volume of extinguishers
- 10 year guarantee
- Reduction in training time and confusion for staff
- Lightweight composite material
- 100% recyclable
- 100% UV tested
